

A man is lying face down on a wooden massage table in a spa room. A therapist is standing at the head of the table, performing a massage. The room has a vaulted ceiling and a stone wall on the left. There are candles and a small window in the background.

**Our spacious hammam and massage rooms are at your disposal, and we also offer duo hammam and massages for shared moments if you wish.**

**We particularly recommend the UNAVOIDABLE trio of hammam, scrub, and relaxing Berber massage lasting two hours providing deep and lasting relaxation. A Moroccan tradition that will be a stunning experience and probably one of your best souvenir of your trip in Morocco !**

**Berber massage uses a blend of organic argan and grape seed oils, highly effective for skin hydration and regeneration due to the antioxidant properties of grape seed oil.**
